Make Your Own Wine In The Heart Of The Napa Valley!

WHY MICROCRUSH? For over 15 years, Judd's Hill MicroCrush has been the enthusiast's choice for crafting custom lots of Napa Valley wine. Fun, fulfilling and affordable, there's nothing like making wine with the pros at a state-of-the-art winery in the vineyards.

WORLD-CLASS GRAPES: It all starts in the vineyard... As founders of Napa Valley's highly acclaimed Whitehall Lane and Judd's Hill wineries, MicroCrush owners Art and Judd Finkelstein offer unique access to grapes grown in prestigious Napa Valley vineyards from St. Helena to Stags Leap, Rutherford to Oakville and beyond.

HANDS-ON OR -OFF WINEMAKING: Want to try your hand at harvesting? Barrel selection? Blending? Label design? Tasting and discussing the wine's progress with our winemakers? Select your favorite varietals and the winemaking aspects you want to participate in. We'll guide you through every chosen step, and take care of everything else.

WHO ARE MICROCRUSH CLIENTS? Wine buffs from California to New York, vineyard owners, retailers, restaurateurs and entrepreneurs launching small brands.
